FYI

- 1. Each member must be in good standing for one continuous year with the local and International Union.**
- 2. The current benefit is \$1,000.00**
- 3. Each member or family must turn over a death certificate, and paid in full funeral bill.**
- 4. Each member or family must fill out the necessary tax forms for the benefit.**

***Note if the funeral bill is not paid in full the check will be written to the funeral home. If there is any money left over it will go to the individual on the death benefit card.**

***Note the local Union does not have anything to do with the benefit. The local Union collects the information and forwards it to the International Union and they take care of the rest.**

***It is the Financial Secretary-Treasurer job to deal with all death benefit issues.**
