SCHOOL BUS DRIVER PHYSICAL PERFORMANCE DEXTERITY TEST

First Student intends to go ahead with the above test. Local 1738 feel this test is in violation of our labor agreement with Laidlaw dba First Student. We have filed a grievance with First Student and also file National Labor Relation Board charges against First Student for this test.

First Student has verbally stated that the results of this test will not affect anyone's employment, yet they refuse to put this in writing. The Union has been advised by First Student Regional Supervisor that anyone failing this test 3 times will be terminated.

**THE RESULTS OF THIS TEST MAY AFFECT YOUR CURRENT OR
FUTURE EMPLOYMENT WITH FIRST STUDENT.**

ATU Local 1738 recommends that until the grievance and NLRB charges are finalized that no driver takes this test at any time,

THINK ABOUT WHAT YOU DO AND DO WHAT IS BEST FOR YOU!
